

Thank you for your interest in serving our campus community! To become part of the food truck rotation, the following requirements must be met.

1. Provide us a copy of your certificate of insurance stating that you have coverage of one million dollars per occurrence.
2. Provide a copy of your most recent health inspection from Dallas County and a copy of your University Park Health Permit. If you need to schedule an inspection, you can contact Analisa Griffith at Analisa.griffith@dallacounty.org or 214-819-2155. For the University Park permit you can go to <https://www.uptexas.org/government/administration/city-secretary/food-svc-permits-inspections>
3. Schedule a tasting and inspection of your truck. The tasting will be for approximately eight people.
4. All food trucks have the awesome opportunity to accept Grubhub which allows our students to use their Flex dollars for purchase. By accepting Grubhub, you will agree to an 85/15 percentage of sales. If the food truck does not accept Grubhub, you must pay a yearly fee of \$500.

Scheduling:

The food truck schedule is every Tuesday and Thursday during the Spring/Fall semesters at the flagpole to serve students and staff. Set up begins at 10:30am and serving begins at 11:00am. Service stays open until 1:30pm - 2:00pm.

We do not schedule food trucks during the summer. During football season, the stadium has food trucks at the end zone to offer more variety. If you are interested in this, please contact the stadium.

If you have any questions, please reach out to Tim Whiteside, Operations Manager for SMU Catering (whiteside-timothy@aramark.com). We are excited to have you as part of what makes our campus so great!
